

Modern High School for Girls marks 7 Decades of Education Excellence and inaugurates a new school Modern High School International at Kolkata

Kolkata, December 16, 2023: Modern High School for Girls, Kolkata, commemorates an extraordinary journey as it reaches the remarkable milestone of seven decades. Established in 1952 by the visionary Mrs. Rukmani Devi Birla, the institution has been at the forefront of providing quality education to young women in a post-Independence environment.

Over the past seven decades, Modern High School for Girls has produced a remarkable roster of alumnae who have made significant contributions nationally and globally. Their achievements stand as a testament to the school's commitment to academic excellence and nurturing independent, thoughtful, and resilient young women.

Modern High School is also proud to announce the inauguration of Modern High School International in the same campus at Ballygunge, in the heart of Kolkata. The curriculum at Modern High School International is IGCSE and IBDP. The inauguration ceremony was graced by Dr. K Kasturirangan, former Chief of the Indian Space Research Organisation (ISRO) and **Mrs. Nirmala Birla, Chairperson, Modern High School international & Modern High School for Girls**

“For the last 7 decades Modern High School for Girls has been a pioneer in providing a platform for young women to excel; the opening of Modern High School International further expands this vision. It is hoped that both the institutions will play a pivotal role in shaping global leaders and fostering innovation in the years to come. We are very proud of the state-of-the-art infrastructure at MHSI, which has been awarded the Indian Green Building Council (IGBC) platinum, the highest certification, for sustainability, environmental stewardship, and promoting a healthy learning environment,” said **Mrs. Nirmala Birla, Chairperson, Modern High School international & Modern High School for Girls.**

About Modern High School International

Modern High School International and Modern High School for Girls are situated in Kolkata.

The Trusts supported by the CK Birla Group (a 2.9bn USD diversified conglomerate employing 30,000 employees with 50 manufacturing facilities across India and overseas), encompass a diverse array of institutions, each contributing significantly to various fields. Notable establishments include the Birla Institute of Technology in Mesra, Ranchi, and the Rukmani Birla Modern High School in Jaipur, both exemplifying academic excellence. The G P Birla Archaeological Astronomical and Scientific Research Institute in Hyderabad underscores the trust's commitment to advancement and knowledge sharing about science, astronomy, archaeology and art. Additionally, the Birla Institute of Scientific Research, BM Birla Planetaria, Nirmala Birla Gallery of Modern Art, Calcutta Medical Research Institute (CMRI), BM Birla Heart Research Centre, Rukmani Birla Hospital in Jaipur, and GP Birla Educational Foundation collectively form a legacy that spans education, healthcare, and cultural enrichment.
